Reflecting on 2016

What a year of tremendous growth we had in 2016 at ACMin! Won't you join us as we praise God for His

Dear ACMin Family & Friends,

January Devotional

Each year as the calendar changes over to January, our thoughts turn to the possibilities that the new year holds. For some people, the future can invoke tremendous fear of the unknown. But fortunately for those who are in Christ, we can live with the confidence that all of our times were created by God Himself

(Ecclesiastes 7:14) and that He is in the business of making all things new (Revelation 21:5). Because of the power of His blood to redeem all things unto Himself (Philippians 3:21), we can look at those parts of our lives that don't seem to be yet aligned with the LORD and His ways through hopeful eyes as we stand on His sure promises (Hebrews 12:23). May each day of 2017 find us living with expectant hope as we trust the One True God who loves us without limits and works all things together for our good and His glory (Romans 8:28)! During 2017, may we exercise the fullness of Christ's life flowing through us, expect miracles, and find multiple reasons each day to practice thankfulness for what we have seen as well as what we know we will see because of His power to transform the world and everything in it (2 Corinthians 3:18)!

Be a Part of Something Extraordinary!

What a great and historic year in the works for the Athens College of Ministry! Working with the Smith Planning Group of Watkinsville, we are making efforts to rezone our future campus site—114 acres of the former Green Hills Country Club—so that we can establish our permanent campus and ministry centers there.

There is still time to make a **Founder's Gift** towards the purchase of our property and first building. Learn about our [campus vision](#) and

pray about how you can be a part. **Thank you for joining us as we transform today's and tomorrow's leaders for the glory of God in advancing His Kingdom!** See the [Capital Campaign](#) for complete details on how your gift can increase our capacity to make disciples! Every gift matters! Naming opportunities are available.
