ATHENS
COLLEGE of MINISTRY

Community Events

Contributions to the Athens College of Ministry help us continue to offer high quality Christian leadership training and to make our Lifelong Ministry events available and affordable for our entire community. Thank you!

ACMin in Action

The Athens College of Ministry is an interdenominational ministry preparation college. ACMin offers certificate, degree, and non-degree training in Christian growth and leadership. In addition to biblically-based, hands-on ministry training, ACMin

hosts five community-wide events each year for the purpose of gathering the community of Christ-followers from our area churches to pray, serve, worship and teach. Local businesses are warmly invited to serve as sponsors of the college and these events. ACMin is a 501c3 organization; your contributions are tax deductible. Sponsorships are valid for 12 months and may be renewed.
