

The ACPMin Annual Fund

Colleges typically rely on an Annual Fund to account for about 50% of their operational budgets. Student tuition alone is insufficient for normal operations plus accreditation fees. *Would you prayerfully consider making a multi-year commitment to the Annual Fund?*

Operational Gifts

Through the ACPMin Annual Fund, your gift provides for:

- Annual Accreditation Fees
- Faculty & Staff Salaries
- Scholarship Funds for students in need
- Program Growth

Your help to cover the cost of nuts and bolts helps us keep our tuition cost as reasonable as possible, making the ACPMin opportunity affordable and accessible to a wide range of students.

Endowed Faculty Positions

As our college grows, it is our goal to add one full-time faculty member for each of our areas of specialization:

- Christian Studies
- Christian Leadership
- Generational Ministry
- Field Ministry
- Care & Counseling Ministry
- Worship Arts

Your monthly gift of \$2,000 will allow us to establish an Endowed Faculty position in your honor or in memory of a loved one. An Endowed Faculty position gift is one of the most impactful gifts to ACPMin. Each faculty member has the potential to impact countless individuals as they prepare our students to advance God's Kingdom across the globe!

Named Scholarship Fund

Many of our students require some degree of financial support in order to answer God's call to Christian leadership. Your gift of \$100,000 or more will establish a scholarship fund in your name or in honor of another with the scholarship award requirements that you might wish to set forth. We thank you in advance for supporting our students as they pursue God's call!

To Make Your Gift

Thank you for being a significant part of supporting God's work through the Athens College of Ministry as we co-labor together to build God's Kingdom! Every gift matters! To make arrangements for a named gift, to make a gift of stocks or real estate, or to make an estate pledge to ACPMin, please contact me personally at 706-769-1472. "Your gift not only helps supply the needs of the saints, but also results in many expressions of thanksgiving to God." --2 Corinthians 9:12

Abundant Blessings,

Marcia L. Wilbur

Marcia L. Wilbur, Ph.D., ACPMin President

ATHENS COLLEGE of MINISTRY

Our Different Approach to Building Christian Leaders Makes All the Difference

Christians come in a lot of forms. There are the rebels, the old school, the Jesus freaks, Soup Kitchen missionaries, and war torn Christian soldiers. But amongst them all a common aim—to grow in the knowledge and fellowship with the Lord Jesus Christ. And for many, this might mean a call to the ministry. For others, it might mean growing in their ability to minister in the marketplace, right where God has placed them. Today, there's a new option for those who want to serve God and the needs of people on the front lines. The Athens College of Ministry is an interdenominational Christian college that challenges students to apply the word of God, and inspires real and direct service to those in need. It's a place where individuals can get education and personal transformation for whatever God has next in their lives.

As followers of Christ, it is our responsibility to pursue the eternal well-being of others beyond our comfort, conventions, and convenience. We must minister in love because Christ first loved us, with the faith that God will multiply our efforts. At the Athens College of Ministry, we are blessed to pray, serve, worship and teach as we gather believers and churches together across geographic, racial, and denominational lines to agree that Jesus is the answer to every question. We owe our success to faithful supporters, partner churches, students, faculty, and passionate volunteers who have joined hearts to be difference-makers for Christ through His college. We are deeply excited about becoming a residential campus in a pastoral setting so that the Lord can bring us back to the simple basics of what it means to be in relationship with Him as our greatest heart's desire. It is a tremendous joy to share the powerful life transformation through Christ at ACPMin with others. We hope that you will make this journey with us. By working together, we can make a difference for Christ in a world that needs Him badly.

The ACPMin Capital Fund

Campaign gifts allow us to build out the ACPMin campus with sufficient classroom, library, and administrative spaces for our hands-on ministry training programs. Our campus will include a working farm, retreat center, the Athens Prayer Garden, and much more! In addition to your pledge to the Annual Fund, would you consider a one-time stretch gift to support the founding of our permanent campus?

Classroom & Administration Building - \$650k

The first all-purpose building on our campus will serve to house our college's base of operations at its new home! The building will provide space for classrooms, our library, Transformational Prayer Ministry Center, faculty offices, and student gatherings.

Acre of Campus - \$10k

Become an ACPMin Founder! Your sponsorship of an acre of property will help us with the costs to develop the campus infrastructure - water, septic, parking lots and roads. All of these are necessary and important for the full functionality of our beautiful space. Sponsor a one-acre or larger parcel.

House of Hope - \$450k

As part of the ACPMin Retreat Center, the House of Hope will contain 10 bedrooms, each with a private bath, common living space, and a small apartment for the House Parents who will reside and minister there. The House of Hope will provide multi-day and multi-week ministry care and restoration for pastors and their wives, couples, and individuals seeking freedom from the spiritual, relational, and emotional challenges of the world. Guests in the House of Hope will receive daily training and personalized ministry care.

Athens Prayer Garden - \$250k

The Athens Prayer Garden will be open to the public as a quiet place to meet with the LORD. The centerpiece of the garden will be a multi-story cross, with numerous walking paths connected to it. A place of natural beauty with spots for quiet reflection, the garden will boast several "teaching pathways" that offer the message of salvation as well as other powerful truths from God's Word. Your gift will help us create the necessary landscaping, the teaching plaques, the paved pathways, and of course, the beautiful cross. What a gift to our community!

12 Prayer Cabins - \$50k Each

During the early phase of our campus build-out, the prayer cabins will serve as student housing during the academic year. Each cabin will have a full bath, kitchenette, living area, and sleeping space for four students. During the summer months, the Prayer Cabins will serve as short- and long-term housing for additional Retreat Center guests.

ACMin Farm - \$250k

With your gift to establish the ACPMin Farm, we will be able to plant orchards and gardens, build a barn for equipment and small animals, erect two green houses, and secure the equipment needed to plow, plant, and harvest! Not only will the farm serve to grow food for the hungry, but it will be the backdrop for teaching our students how to use agriculture as ministry, whether through community gardening efforts or agricultural missions.

ACMin Worship Center - \$750k

The Worship Center will serve as a gathering place for Christian conferences, guest lecturers, indoor worship gatherings, weekly chapel services for students, etc. Local churches and community organizations will be invited to use the space when available as a larger venue for special events or services.

ACMin Prayer Chapel - \$250k

The Prayer Chapel, along with the Athens Prayer Garden, will provide a quiet place for students, faculty, and guests to spend time with the Lord. The Transformational Prayer Ministry Center will also use space located in the Prayer Chapel building for its base of operations.

Recreation Area - \$25k

The recreation area will be used by students and Retreat Center guests, as well as available for use by area Youth Groups, and college-age ministry groups. The recreation area will include a covered pavillion with restrooms and outdoor cooking area, plus a baseball diamond, and a game shed with outdoor game equipment.

House of Joy - \$450k

Like the House of Hope, the House of Joy will serve as a second retreat home on the ACPMin campus. With an additional 10 bedrooms and private baths, the House of Joy will double our capacity to provide short- and long-term ministry care to those in need. The House of Joy will be staffed full-time by house parents trained in restoration and inner healing.

ACMin Library - \$500k

Every college has to have its library! The ACPMin library will be very user-friendly with quiet and group study spaces for students and faculty. The ACPMin library will also be available for public use. The library will boast collections for in-depth theological study and applied ministry.

Founders Trail - \$250k

Because our property was formerly a golf course, we are blessed with lots of paved cart paths. Your Founder's Trail gift will help us resurface the portions of the walkways badly in need of repair, beautify the areas around the walkways, and create some scenic quiet places along the way for our students and retreat center guests.

Yes! Tree - \$8k

In keeping with 2 Corinthians 1:20, "For all of God's promises are yes in Christ," the Athens College of Ministry will commission the creation of a bronze tree that will find its home in our Prayer Garden. You are invited to sponsor the creation of the Yes! Tree by a local artist. Once the tree has been crafted, individuals will be able to commission personalized bronze leaves on the tree with their names and favorite promises from scripture. Gifts received from the proceeds of the Yes! Tree will benefit the Student Scholarship Fund.

Other Naming Opportunities

We would like to honor your gift in service of the Lord, or honor the memory of your loved one. As such, other naming opportunities are available through the Athens College of Ministry, including:

- One brick in the Athens Prayer Garden walkway: \$500
- One classroom: \$50k

ACMin Legacy Pledges

Legacy gifts bolster the college's future ability to make a difference in God's Kingdom by ensuring its financial strength for years to come. Establishing a legacy gift can be as simple as creating a codicil for your existing will or trust. *Will you consider including the Athens College of Ministry in your estate planning?*
